PROFILE

Passionate and versatile Concept Artist with a distinctive style blending Eastern and Western influences. Skilled in using digital tools to create expressive characters and vibrant visuals that support storytelling and emotional impact

WORK EXPERIENCE

- **Herogram Philippines** OCT 2023 - PRESENT
 - **Lead Illustrator** FEB 2025 - PRESENT
 - Led a team of artists in producing short-form promotional content for an art education initiative
 - Oversaw content quality and team workflow to ensure visual consistency and alignment with project goals
 - Created illustrations in a range of styles— from cel-shaded to painterly done in Photoshop— and produced animations using Procreate
 - **Senior Artist** JUNE 2024 - FEB 2025
 - Assisted team leads in mentoring junior illustrators on style and technique during high-demand periods
 - Produced illustrations in various styles based on project and supervisor direction
 - Collaborated with senior artists on Splash Art-style pieces featuring key *My Story Animated* characters
 - **Thumbnail Artist** OCT 2023 - JUNE 2024
 - Designed eye-catching thumbnails for *My Story Animated*, optimizing for audience engagement and platform requirements
 - Developed concepts and compositions tailored to platform-specific visual strategies
 - Contributed to the full production pipeline, including line work, coloring, and background art
- **Freelance Artist** Since 2019
Illustrator and Concept Artist
 - Designed characters, environments, props, and key visuals for a wide range of clients
 - Maintained consistent communication to ensure timely delivery and client satisfaction
 - Produced cover art, multi-page full-color digital illustrations, and comics for independent magazines and international art book publications

PROJECTS

Louie! - Indie 2D Animated Short Film

2023

Background Artist

- Designed layouts and painted backgrounds in Photoshop and Procreate, ensuring alignment with the film's visual style and color script
- Collaborated with the director and art team to enhance storytelling through effective environment design

Tag Team - Hybrid Animated Short Film

2021-2022

Visual Development, 3D Background Artist, and 2D Animator

- Designed props, backgrounds, poster concepts, 2D layouts, and 3D environments aligned with a cohesive visual style
- Led 3D design tasks, ensuring all assets matched the project's artistic direction and production quality
- Collaborated closely with the director and cross-functional team to iterate on feedback and maintain visual consistency.
- Delivered assets and dailies on schedule, supporting a smooth and timely production workflow
